

30 Lesson Openers, Sorted by Prep Time

Daniel Okafor - The First Five Minutes

No prep (11 openers) - odd-one-out, estimation duels, silent demos...

Five minutes prep (12 openers) - discrepant events, mystery photos...

One lab-tech favour (7 openers) - the fog chamber, red cabbage array...

Each opener lists: hook, expected student talk, and the bridge into the lesson body. Filmed examples linked by QR on each card.
